*This is a brief coverage summary, not a legal contract. The actual policy should be reviewed for specific terms, conditions, limitations, and exclusions that will govern in the event of a loss. Extended sixty day reporting period applies.

First Watch is a solutions company dedicated to creating services to help companies protect their assets from the devastating effects of a data breach. We pioneered ID Risk Scoring and ID Monitoring 14 years ago. Over 12 years ago, we began offering data breach response services to carriers that write cyber liability insurance policies and to law firms with a specialty practice in data security and breach notification.

We are committed to innovation and higher standards for the ever-changing world of data theft, identity theft and fraud protection. We offer comprehensive solutions for businesses and organizations of all sizes. Whether it is your business, your brand, or your identity, First Watch exists to safeguard your world.
